Hi Hanady,

Here is the revised itinerary, please see the added meeting in Newhalen on Wednesday. (meeting with Newhalen Tribal Council & potluck) I don't think Rick has sent this on yet.

As far as Dillingham goes . . . I am not sure what time they will get in from Koliganek. There is a local person who is going to pick them up from the airport and bring them to the Elementary school. If they get in early enough that would be a good time, before the meeting starts. My sense is they will be eating and then running to the airport after the meeting.

I would also encourage a radio spot before the meetings next week, maybe you or Rick could do something on the phone with KDLG. This would help explain the BBAY Listening Session and Mining Sessions.

Friday - Bristol Bay Update - Dillingham June 3rd Agenda  
1030AM - Welcome & Invocation - Curyung Tribe (invited)  
1040AM - Introductions of EPA Officials - led by Rick Parkin  
11AM - Summary of Bristol Bay Watershed Assessment by EPA  
1115-12PM - Open Dialogue - Facilitated by Ralph Anderson @ BBNA  
12PM - Closing  
12-1245PM Lunch - Curyung is organizing a Potluck  
1245PM - EPA officials must leave to go to the airport

1245PM - Mining Information Participants head back to the BBNA Head Start Building

Let me know if you have any questions.

Thanks - Tami

Unfortunately, I don't see anything in those documents about his itinerary in Dillingham.

Tami, Marianne is wondering if we have time for Dennis to go to the KDLG station for a quick interview--10 or 15 minutes and that's it. We did a good session with Patty and Rick over the phone today, but they'd like to talk to Dennis. I told the station they could definitely catch him at the meeting, but I'd have to see about the station.

Do you have his schedule for that day?
